

2013 Kennedy Half-Dollar Products Available June 20

June 13, 2013

WASHINGTON — The United States Mint will accept orders for product options containing 2013 Kennedy half-dollar coins starting June 20 at noon Eastern Time (ET). The coins will be available in two-roll sets (20 coins per roll) and in 200-coin bags. The two-roll sets (product code KO8) are priced at \$32.95 each, and the bags (product code KO7) are priced at \$139.95 each.

The bags and rolls contain circulating quality Kennedy half-dollar coins from the United States Mint facilities at Denver and Philadelphia that have never been placed into circulation. Each coin roll in the two-roll set is wrapped in a United States Mint paper coin wrap that displays a “P” or “D” for its mint of origin and “\$10” for its face value. Each bag is marked with a “P” and “D” for the mints of origin and “\$100” for the face value of its contents.

The obverse (heads side) design of the Kennedy half-dollar shows a strong but simple portrait of President John Fitzgerald Kennedy and the inscriptions *LIBERTY* and *IN GOD WE TRUST*. The reverse (tails side) design is based on the presidential seal and consists of a heraldic eagle with a shield on its breast holding a symbolic olive branch and a bundle of 13 arrows. A ring of 50 stars surrounds the design with the inscriptions *UNITED STATES OF AMERICA* and *HALF DOLLAR*.

Orders will be accepted at the United States Mint’s online catalog at <http://www.usmint.gov/catalog> and at 1-800-USA-MINT (872-6468). Hearing- and speech-impaired customers with TTY equipment may order by calling 1-888-321-MINT (6468). A shipping and handling fee of \$4.95 will be added to all domestic orders.

The Kennedy half-dollar bags and rolls are also available for purchase through the United States Mint’s Online Subscription Program. For more information about this convenient ordering method, please visit <http://www.usmint.gov/catalog>.

The United States Mint was created by Congress in 1792 and became part of the Department of the Treasury in 1873. It is the Nation’s sole manufacturer of legal tender coinage and is responsible for producing circulating coinage for the Nation to conduct its trade and commerce. The United States Mint also produces numismatic products, including proof, uncirculated, and commemorative coins; Congressional Gold Medals; and silver and gold bullion coins. The United States Mint’s numismatic programs are self-sustaining and operate at no cost to the taxpayer.

Note: To ensure that all members of the public have fair and equal access to United States Mint products, orders placed prior to the official on-sale date and time of June 20, 2013, noon ET shall not be deemed accepted by the United States Mint and will not be honored. For more information, please review the United States Mint’s Frequently Asked Questions, Answer ID #175.
